

## 50 Years of Concern

This year of 2012 marks the 50th Anniversary of CAFOD coming into being. The Bishops of England and Wales officially set up CAFOD whose aim was to provide a focus for all the small charitable efforts which were already taking place and to promote Family Fast Day. This Lent Fast Day we have a unique and exciting opportunity to double the impact of donations received. The governments Department for International Development has created a pilot initiative called UK Aid March, and will match £ for £ all money given in any Lent collection and fund-raising activities for CAFOD that take place between 17th February and 17th May. Our target is to raise £2 million, nationally.

The focus of Lent Fast Day will be the newly launched water campaign "Thirst for change". One in eight of the world's population still can't access clean water. One child under the age of five dies every 20 SECONDS, because of dirty water. How many homes in our country do not have a tap? Without water there is No LIFE. You are invited to reflect how life would be for you if you did not have a water supply. CAFOD'S partnership scheme CONNECT 2 offers each Diocese the choice of two countries to support. Brazil and Ethiopia are Salford's countries. Our parish CAFOD group chose to support this partnership in Ethiopia. Other than Fast Days and Emergency Appeals funds raised and donations received go to a village in northern Ethiopia named Biera, pronounced Bee-er-a. The valley is an oasis of green now, amongst the arid, mountainous landscape. Irrigation work by local people and CAFOD partner Adigrat's Diocese Catholic Secretariat is keeping farming alive. The building of reservoirs has helped to triple the harvest. 65 years old Ato Alemayo has lived there all his life, he says "We used to get 60 days of rain in the dry season, now we get 2 or 3. We are at risk because of the climate, we must start fighting this change now." Wiozero Tiblets, 31, says "If we work, we get. If we farm, we eat, set up cooperatives, live different lives. Water is the key". Next Sunday February 19th the parish CAFOD supporters will be running a stall at the Flea Market in Hurst Green Village Memorial Hall. from 9am to 4pm. Proceeds will go towards Bieras hopes of building a dam in the mountains. Sincere thanks for all your support over the years.
