ROSARY OF THE UNBORN Will be said after Mass/Service each day this week for all Pro-Life intentions. Our Lady of Guadalupe. Pray for us.

CAFOD Biera. On the notice board this week we wish you to meet Mr Ato Alemayo, 65. Having lived all his life in the village, as a child he remembers it as a place of 'greenery and life', with dense forest, beehives and fertile farming land. Today, Ato barely recognises the Biera of his childhood. He says "I first noticed a change in weather patterns 30 years ago". Families are coping better during prolonged drought due to a concrete reservoir built in 2009 collecting water from mountain streams. Today people have a reliable supply of water for farming - not plentiful, the earth is still dry, but enough for their crops to grow

EASTER LILIES This year we have had the opportunity of donating a Lily in memory of a loved one. Please see the list in the porch
