

Dear Parishioners

Fiona Bruce MP and the All Party Parliamentary Pro-Life Group have written requesting your help.

As many of you will know, Rob Marris MP is trying to legalise assisted suicide.

This battle will be won or lost in constituencies - many MPs we have spoken to are saying that they will "see what their constituents have to say" before making up their minds. The more your MP realises that there is opposition in their constituency, the more likely they will be to vote against. It really is essential that you do all you can to influence their decision. You really will make a difference.

Please could you:

1. Make contact with your MP using this tool <http://notoassistedsuicide.org.uk/> or, you can also use this link <http://www.parliament.uk/mps-lords-and-offices/mps/>

2. Ask for a meeting at one of their local constituency surgeries.

At the meeting, there are two things that need to be communicated:

- Say that you would like them to oppose the Bill
- Say that you would like them to turn up on Friday September to 11th to vote against the Bill.

Crucially, we then need you to let us know the results of your efforts. We need this intelligence as it helps us to calculate whether or not we can win the vote.

If you cannot get to see your MP, please write to them in your own words setting out why you oppose assisted suicide using this link (some helpful evidence-based arguments are available here). <http://notoassistedsuicide.org.uk/>

Also Archbishop Peter Smith has written: "I strongly urge all Catholics to contact their own MP as soon as possible to express their concern about the dangerous impact which such a Bill would have on the most vulnerable people. MPs do listen to their own constituents. What is needed is more and better palliative care, not assistance with suicide." I recommend these excellent websites: the Bishops Conference www.catholicnews.org.uk/assisted-suicide and the Anscombe Bioethics centre www.bioethics.org.uk "

Remember that every charity for the disabled is adamantly opposed to this Bill! Although parliament is in recess the Assisted Dying Bill will be debated after their return on September 7th. Please act now.

CAFOD In his encyclical *Laudato Si*, Pope Francis calls on us all to make simple daily gestures to care for the world's poorest people, for future generations and for the earth, our common home. This is an opportunity to live wisely, think deeply and love generously. **Where will you start?** Here are some ideas: use less water, avoid using paper or plastic, use public transport or car share, turn off the lights, cook only what can be reasonably consumed, plant trees, show care for other living beings.

VACANCY Salford Diocese have a vacancy for a Building Surveyor. This is full time appointment. See poster in porch

COMBATING HUMAN TRAFFICKING GROUP On 21st July we meet at 7.30pm in the presbytery to formulate plans for our meeting with the Bishop to discuss ideas on how he can add his voice to our work. COOKERY CLASSES Steady progress is being made on our bid to start classes in Clitheroe, but we need more volunteers for the following — cooks—washers up—collecting food from supermarkets—to name but a few. If you are interested in this project or are willing to help in any way then why not come along to our next meeting on Monday 17th August at 7.30pm at The United Reformed Church. We would be delighted to see you and whether or not ask that you will hold this project in your prayers
MISSIO (Red Boxes) We are asking people to check if they have a red box at home which for some reason may not have been collected for a while. Maybe you have moved house. Envelopes for your donations are available in the porch along with contact details for Janet and Sion Hall. Please call us with any query you may have 01200 428949. As Pope Francis recently said 'By making a personal donation you are giving a part of yourself, first to the Lord and then to others, which becomes a tool for the evangelisation of humanity built on love.'
