CAFOD: SHOW THE LOVE 5-29 FEBRUARY 2020 This weekend, green hearts will be left in each of our three churches. Please take one home, write your commitment to global warming/climate change and return the heart next time you come to church. We know that politicians act when voters show they care. We will send our MP some of your green hearts and ask him to commit to action on climate change before the UK hosts the COP26, a major global climate summit, at the end of the year. Other green hearts will be displayed in each of our 3 churches. We hope to encourage everyone to do what they can to help reduce the effects of global warming/climate change.
