

**Our Safe Havens project,
provides emergency
accommodation, allowing
people a real stepping
stone into further
accommodation.**

**“It is important to
show kindness and
understanding to
people from other
countries, especially if
they are refugees
fleeing from wars.”**

Dianne Ngoza

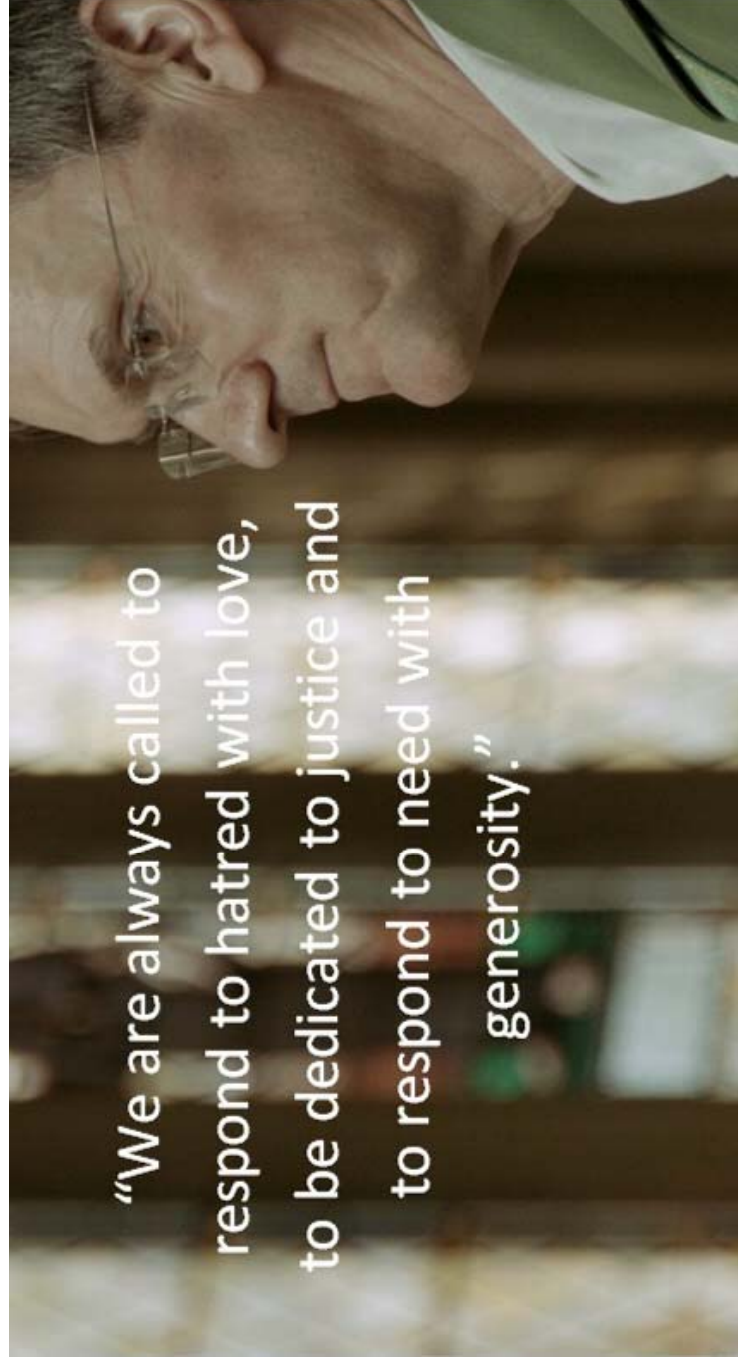

“The Journey to Sanctuary exhibition tells the story of Sara, a refugee who has had to flee her own country in search of sanctuary. We aim to create welcoming and supportive communities for refugees.” Joe Howson

“Human dignity is about allowing life to flourish. We are working together at tackling poverty and refugee issues.”

Mike Kane MP.

“We are always called to respond to hatred with love, to be dedicated to justice and to respond to need with generosity.”

Caritas Sunday 29th January

Thanks to your generosity last year, we were able to support refugees and people seeking asylum, across the Diocese of Salford.

This year, we want to help more refugees and people seeking asylum through projects such as; English classes, temporary emergency accommodation, welcome events, and drop in centres. This will only be made possible with your help and support.

For further information, speak to your Caritas Representative or email info@caritassalford.org.uk

COMMUNITY SPONSORSHIP PROGRAMME

Parishioners from St Monica's parish are preparing to welcome a refugee family from Syria. For nearly a year they have come together to welcome the stranger.

ST AIDAN'S

The community of Wythenshawe is coming together to provide supplies and opportunities to refugees and their families at St Aidan's church.

REFUGEE WEEK

During refugee week we brought together refugees and asylum seekers and gave them the opportunity to have their voices heard. We recorded a show for radio with Heaven's FM

CORNERSTONE EMERGENCY PODS

Emergency accommodation is available at Cornerstone. Pods, also known as 'safe havens' are the size of a small portacabin. There are currently 5 pods with 5 more on the way.

REFUGEE EXHIBITION

Joe Howson, with the support of Caritas Salford, calof and the British Red Cross. As individuals walk through the exhibition they hear the journey refugees take to reach safety.

WALKING WITH REFUGEES

Parishioners and residents from Clitheroe welcomed refugees, through our partner Revive, to the countryside. Adults talked merrily whilst children played in the river and had crafts sessions.

English classes at Cornerstone help refugees and new arrivals develop language skills and meet local people.
