

This Project has been Initiated and sponsored by Caritas Salford, and your Parish of Our Lady of the Valley has agreed to take part.

We have linked up with a local refugee support agency, New Neighbours in Burnley, to participate with our Parish.

Caritas is a social welfare charity working in the Roman Catholic Diocese of Salford, covering Greater Manchester and East Lancashire.

We are looking for you to invite a refugee or asylum seeking family as guests for a meal in your home. We hope this will make them feel welcome, and add to their understanding of England and our way of life, at the same time as giving you a better understanding what it's like to be a refugee or asylum seeker.

Interested in taking part? It's easy- just fill in the form!

Then return it to Janet Clegg at the Parish Office or post it in the box at the back of Church.

We send you the contact information. You get in touch and make your own arrangements with the guest family. As well as a meal, you might want to show them a local beauty spot or interesting historic building near your home? Please bear in mind that they will have no money and no transport, so you need to arrange to collect them and drop them back where they live, provide food, and cover the costs of anything you do during your time as a host.

Where Refugee Dine with Me receives any personal data (as defined by the Data Protection Act 1998), it shall ensure that it fully complies with Caritas Diocese of Salford policies relating to data protection. We will take all reasonable steps to ensure that all our partners Revive also comply with this clause where they are processing any personal data on behalf of Refugee Dine with Me and we shall allow reasonable access to such information as is necessary to ensure that it is complying with the above provisions and the Act.

HELPFUL HINTS

Have Fun, Smile and Talk!

This is a great opportunity to enjoy meeting new people and learn about a different culture.

We all smile in the same language!

Don't worry about whether your guests English is poor. Apply patience and enjoy.

We all enjoy good food!

Check the information you will get for any dietary requirements eg Halal, and enjoy cooking new foods!

It's OK to say "No"

Like you, your guests will have things they don't want to talk about-they may have painful experiences they don't want to re-live.

No commitment.

To keep it sustainable, both guests and hosts agree not to solicit, advertise, or request any product or service whatever or enter into an into any kind of job, work, or support related arrangements.

Any Queries?

I/we would like to host a refugee or asylum seeking family as part of the 'Refugee Come Dine With Me' Pilot Project.
