

## **Laudato Si (Live Simply) Meeting, October 2, 2019**

The film, Pope Francis A Man of his Word had been well received and if there is enough interest we will show it again in Sabden

Sheila Shore visited St Mary's school, Clayton le Moors, to see what they are doing with ecobricks (see the Laudato Si (Live Simply) webpage <http://www.olotv.org.uk/parish-groups/laudato-si> July 18. Sheila will contact them again and see if a group visit can be organized.

Mark Wiggin will approach Ricky Davies who will have knowledge of recycling costs for Social centres like ours in the Diocese - I think. Apparently cost is the reason why our kitchen waste isn't recycled.

For the Refugee Day Out next June we will have one meeting before Christmas after half term and then a few more after Christmas. Anthony to draft an email for Mark to arrange. We will promote via the Clitheroe Advertiser, Castle View and Facebook.

We will run regular Fairtrade Sundays at Clitheroe and Sabden and are awaiting news about Sabden from Andrew Brown.

Mark will approach John Foley about drawing up a rough survey of the gardens at St Michael and St John's to aid our planning of an environmental project. Anthony will raise at the next Love Clitheroe meeting to see if the other Christian communities would like to be involved.

Mark and Anthony will present at an upcoming Parish Forum on our Live Simply Award application and progress on it.

Mark will approach Fr Eamonn Mulcahy about speaking one Wednesday evening in our Parish.

Friday October 4 is Family Fast Day.

The next meeting to be arranged later.
