LIVE SIMPLY THOUGHT OF THE WEEK: *Reduce—Don't create waste if you don't have to*—save up to thousands of bottles and cans per year and use refillable bottles instead of buying single use beverage containers—copy documents on both sides of the paper—use cloth bags at stores and just say NO to paper AND plastic. ***Reuse—Reuse any material or product you can before you give it away or recycle it***—Binders, manilla folders, and mailing envelopes—Share gently used clothing and toys your children have outgrown with friends and family—Clothing, toys and gardening implements can be donated to thrift stores such as Savers (HOPE Services), Goodwill Industries and Salvation Army ***Repair Fix stuff before tossing it and buying new*** A few good examples—Buy a knife sharpener and revive those tired knives—Buy furniture and products that last and fix or re-finish them to give them a new look—Sharpen gardening implements...a sharpened shovel or hoe makes life so much easier.

CAFOD We must urgently call on the UK government to offer meaningful protection and assistance for people caught up in this crisis, especially those at greatest risk, including women and girls, human rights defenders and minority groups. Please write to your MP today to ensure Parliament does all it can to ensure safe passage for those fleeing Afghanistan, reforms our refugee and asylum system to that the UK can be a place of sanctuary, and immediately increases aid spending to aid agencies and civil society groups working in Afghanistan and neighbouring countries. FAIRTRADE FORTNIGHT 21 FEB—6 MARCH Fairtrade is about better prices, decent working conditions, local sustainability, and fair terms of trade for farmers and workers in the developing world. By requiring companies to pay sustainable prices (which must never fall lower than the market price), Fairtrade addresses the injustices of conventional trade which traditionally discriminates against the poorest, weakest producers. With Fairtrade **you** have the power to change the world every day. With simple shopping choices **you** can get farmers a better deal. That means they can make their own decisions and lead the dignified life everyone deserves. More information please follow this link <https://www.fairtrade.org.uk/get-involved/current-campaigns/fairtrade-fortnight/>
