CLITHEROE

CALLING ALL BUDDING GARDENERS/DIGGERS We will shortly be putting a rota together so that volunteers will have notice of the dates when we will be working in the Presbytery garden. We are also seeking donation of bulbs and plants that you may have surplus. We hope to repurpose and recycle as much as possible. If any of you have access to bark clippings these can be collected. Contact Anne Peplow 07792 637005 to find out more.

CHURCH CHOIR As we are beginning to return to Church after the Covid pandemic so our choir is singing again at the 9.30am Sunday Mass. If you like singing please come and join us—young or old—even if you think you are unable to sing—you would be most welcome.

CLEARANCE OF CHURCH CELLARS

Beneath the church, there is a series of cellars that have been used for many generations as a convenient repository for numerous items of various sizes and material that can together be categorised as redundant, unwanted, broken or stores in case it 'may come in'.

Inevitably there will be a few items that need to be retained, and there may be some items that are owned by individuals or parish organisations.

A decision has been taken, for fire hazard purposes and for good housekeeping to make a start in resolving a problem that has taken many years to develop and will take some time to fully resolve. Discussions have taken place with local antique dealers, in order to identify items of parish property that may be of some value and can be sold for the benefit of the parish account. The preferred expert has previous experience in local church cellar clearance and has offered to assist us in our process.

The clearance will proceed slowly and carefully and will contain a number of steps along the way. Firstly, we need to identify any items that are in private ownership, or are the property of any parish group or of such religious sensitivity that they cannot be disposed of by normal means.

If you as an individual or your parish group has any items stored in the cellars, which need to be removed or there is a pressing need to retain in storage, please contact John Spencer, who is coordinating the works on behalf of the parish **07583 185701 or email j.spencer526@btinternet.com**

Please make contact within the next 4 weeks. Arrangements will then be made for a joint site visit and discussion regarding the future of the identified items concerned.

After this first step, the second phase will involve the removal of sale of agreed items of value using the advice and expertise of the local expert.

The final phase will involve the removal of all items that do not warrant further storage and have not been sold or removed by private owners. Most of the remaining items

WANTED The Parish is in need of volunteers to help maintain St Joseph's Cemetery on Waddington Road with Grass cutting—Weeding—Removing moss from the paths etc will be the main tasks. We are intending to set up a rota to ensure that the Cemetery remains a fitting place for the Parishioners buried there. Contact Anne Peplow on 07792 637005 if you would be willing to help.

THANKS Our thanks go to Arnold together with his band of helpers both men and women who for the past 40+ years have helped to mow, weed and keep St Joseph's Cemetery tidy. Your help has been most appreciated. We are now looking for people to take on this task of organising and helping to continue this work. Please contact Anne Peplow - see above for contact details.
