**LIVE SIMPLY THOUGHT OF THE WEEK:** Can you brighten up someone's life? Please try some of the following ideas: Smile at people wherever you are out and about. Thank the person who serves you in the shop. Tell your family members how much you love and appreciate them. Help your parents with household tasks. Help a mother carrying her pushchair down the stairs or hold the door for her. Arrange to meet a friend you haven't seen for a while. Lend your ear—listen to someone who is having a bad day....and many more ideas could be added. Try to do something nice every day. It may brighten up your life. **ALSO** Please support our refilling and reuse shops and market stalls in the area. Some plastic containers can be refilled and reused many times. This directly reduces the demand for disposable plastic. Reuse of plastic reduces waste that would otherwise go into landfill and it reduces the amount of energy needed in their manufacture. Micro plastics are now being found in human blood and lungs for the first time.

**CAFOD** the climate crisis is making it harder to find healthy food around the world. Farmers in many places can no longer grow enough food to feed their families. Coronavirus has made things much worse for many people. For these families, a small act of love from you today can reach around the world to make a big difference. So please continue to fill your CAFOD Family Fast Day envelopes and return them the Sunday after Easter. (more envelopes are available in St Michael & St John's church porch).

**PRAYER FOR UKRAINE** on Wednesdays at the House of Prayer (Turret House) which is on Edisford Rd on the right hand side just before the bridge. Prayer gatherings at the following times 7.30–8am and 12noon–12.30pm. The prayer space will be open 8am–4pm for individual prayer.

**UKRAINE** Following the UK Government's announcement on a domestic response to the Refugee Crisis, Caritas Diocese of Salford has launched its Appeal to provide local capacity on the ground here, and enable faith in action. They will support those in Salford Diocese welcoming and hosting refugees from Ukraine and provide emergency grants to support individuals and families as they resettle. To read the latest information visit the website for updates :<https://www.caritassalford.org.uk/ukraine-crisis?> Are you a ***Ukrainian or Russian speaker?*** If you are please register by email as a volunteer translator: [communitysponsorship@caritassalford.org.uk](mailto:communitysponsorship@caritassalford.org.uk)

**CARITAS** Approaching the joy of Easter Sunday, we want to take this opportunity to say thank you for your continued prayers and support for Caritas Salford. Meanwhile, war in Ukraine continues to displace many millions of people. Our teams have been providing information and advice to over 60 individuals and families offering support or a place to stay in their home. Our latest newsletter includes stories about how our teams provide welcome and integration for refugees from other nations facing war, famine or insecurity and how our Older People's Service is working to rebuild connection following the isolation of the pandemic.

**CALLING ALL BUDDING GARDENERS/DIGGERS** We will shortly be putting a rota together so volunteers will have notice of the dates when we will be working in the Presbytery garden. We are also seeking donation of bulbs/plants that you may have surplus. We hope to repurpose and recycle as much as possible. If anyone has access to bark clippings these can be collected.
