Turning Concern into Action

The SVP in Clitheroe

We are 23 Full members and 8 Auxiliary members representing all corners of the parish of Our Lady of the Valley.

Our Activities

Visiting

The essence of our work is person-to-person contact and spending time with people. In 2022 we made 1106 visits to 59 beneficiaries in their homes and to a further 35 beneficiaries based in 7 local care/nursing homes. This primarily involves listening to people and spreading the gospel by companionship.
